

Basket Assembly

Slide the handles through the two slots in the waffle cover and make secure via press studs. Open out the waffle cover and push the middle section into the base of the basket. Place mattress with the fitted sheet on into the basket.

To remove the waffle cover for cleaning, undo the waffle cover's press studs by the handle and lift the skirt over the handles.

Care guide

Basket: Spot clean with warm water and mild detergent. Dry naturally in sunlight if possible or dry well ventilated room. This handmade moses basket is woven carefully from corn husk which will have naturally occurring markings & colourations. No chemicals were added in the making process. It is important to keep this basket dry and follow the care & storage instructions to ensure product longevity. Store away from high humidity areas. Ensure basket is thoroughly dry before storing. Do not store in plastic, this can cause condensation to form.

Waffle Cover: Follow washing instructions on each individual product. Gentle cold machine wash. Do not bleach. Do not tumble dry. Do not dry clean. Cool Iron.

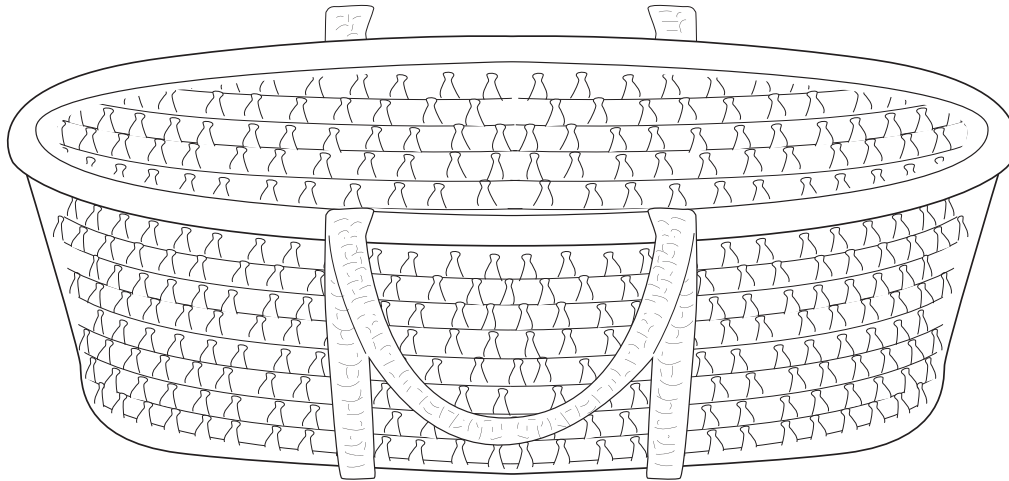

Mattress: The mattress should only be washed by hand using a mild detergent. Dry naturally away from direct sunlight and heat. Do not dry clean. Do not tumble dry.

Safety

IMPORTANT - PLEASE READ INSTRUCTIONS CAREFULLY BEFORE USE AND RETAIN FOR FUTURE REFERENCE. WARNING: KEEP THE PLASTIC BAG AWAY FROM CHILDREN TO AVOID SUFFOCATION.

This basket is suitable for a newborn infant who cannot sit up or roll over by itself and cannot push itself up on its hands and knees.

Maximum weight of child 9 kg.

Do not move the bassinet while the baby is inside.

Use basket only on a firm, horizontal, level and dry surface.

Do not let other children or pets play unattended near the basket.

Do not use if any part is broke, torn, or missing.

Be aware of the risks of open fires and other sources of strong heat, such as: Radiators, gas fires etc, in the surroundings of the basket.

If a mattress is purchased separately, the depth from the top of the side of the product should not be less than 20cm when the mattress is in the position of use. Any such mattress must also comply with AS/NZS standards for mattress firmness.

The handles and the bottom of the basket should be inspected regularly for signs of damage and wear. Do not let the handles hang inside the basket when in use.

No objects or toys are to be left in the product as they could increase the risk of suffocation, strangulation or provide a footrest.

All assembly fittings should always be tightened properly and securely.

The product should not be used if any parts are lost or damaged.

Use only replacement parts supplied or approved by the manufacturer.

Dispose of all packaging safely before use.

If the basket is intended for use with a stand, check that the stand is of the correct size and of the recommended type. Do not use with any third party accessories or stands.

We recommend using The Sleep Store folding stand or rocking stand designed to work with our moses basket.
