moses basket folding stand

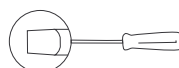

Safety

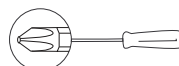

Please read our assembly instructions in detail before use and retain for future reference. In order that the stand may be safely used the following instructions must be followed.

- Please read our assembly instructions in detail to ensure the features of the stand are not compromised.
- Do not use the product if any part is broken or missing.
- Ensure that the product is used on a horizontal, level floor.
- Do not move the moses basket and stand while the baby is inside.
- Only use the mattress specifically recommended for this product by Nestling.
- Only use replacement parts supplied or approved by Nestling.
- Do not attach anything to the product that may affect its stability.
- Do not place the product near an open fire or other sources of strong heat.
- No objects or toys are to be left in the moses basket as they could increase the risk of suffocation and strangulation.
- Do not place moses basket and stand in close proximity to a wall or other obstacle, this is intended to prevent entrapment.
- The stand is designed for use with Nestling moses basket of min/max 750–870mm in length and 330–400mm in width. It may be unsafe with any other product.
- Young children should not be allowed to play unsupervised in the vicinity of the moses basket.
- Do not allow pets or other children in or near the product.
- When not in use store the moses basket and stand away from children.
- All assembly fittings should always be tightened properly and care should be taken that no screws are loose, because a child could trap parts of the body or clothing (e.g. strings, necklaces, ribbons for babies dummies), which could post a risk of suffocation and strangulation.
- Dispose of all packaging safely before use and away from children.
- **Warning: Keep the plastic bag away from children and avoid suffocation.**

Tools Required

Flathead screwdriver

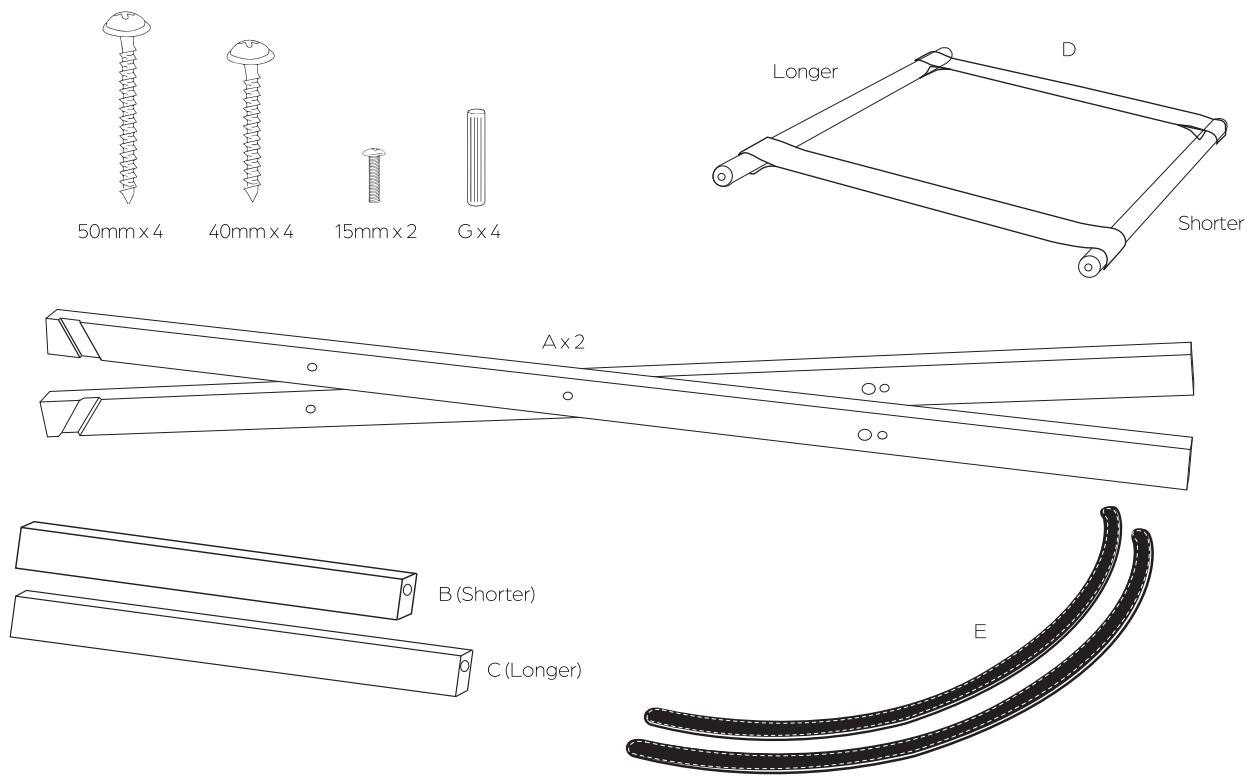

Phillips head Size 2 (PH2) screwdriver

To prevent damaging the screws during assembly, please ensure you use the right size and type of screwdriver

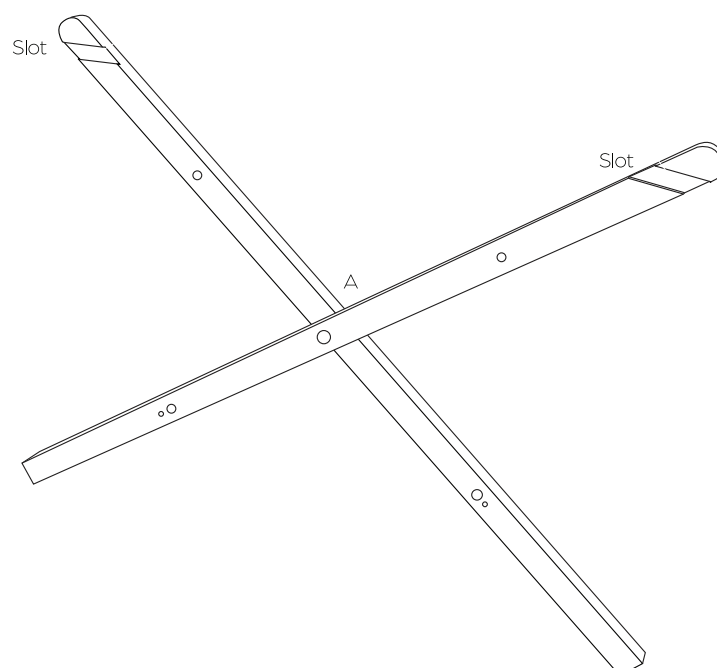

Parts Checklist

IMPORTANT: Please make sure when assembling the stand that the pre-drilled guide holes in each part are lined up and that the screws are located carefully into the holes before tightening them up.

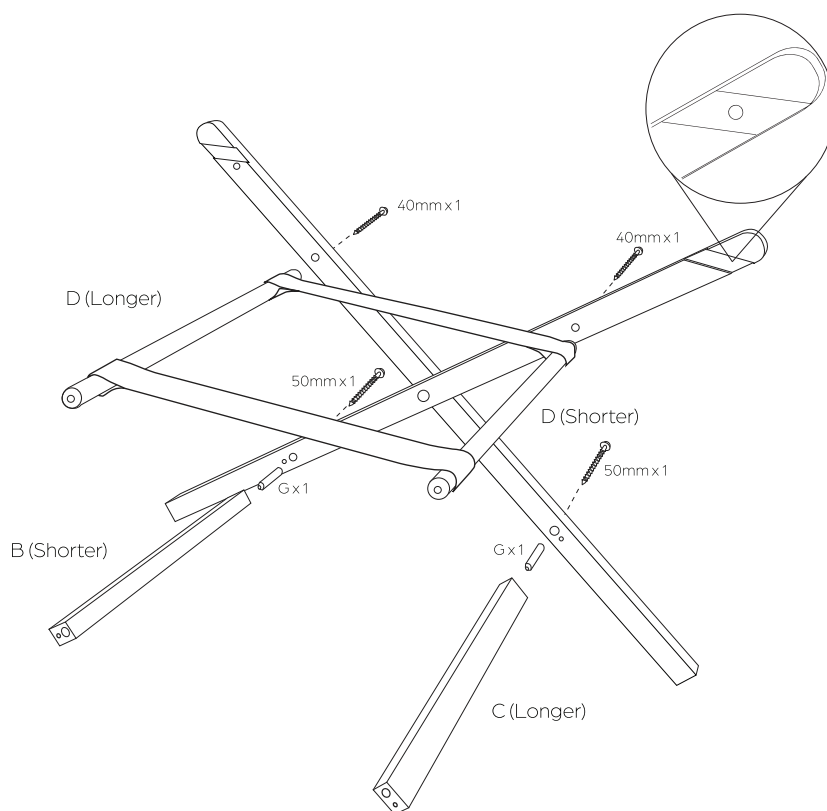

Step 1

Take one of the pre-assembled leg structures (A) and open into an 'X' formation, making sure the slots are facing inwards and are horizontal.

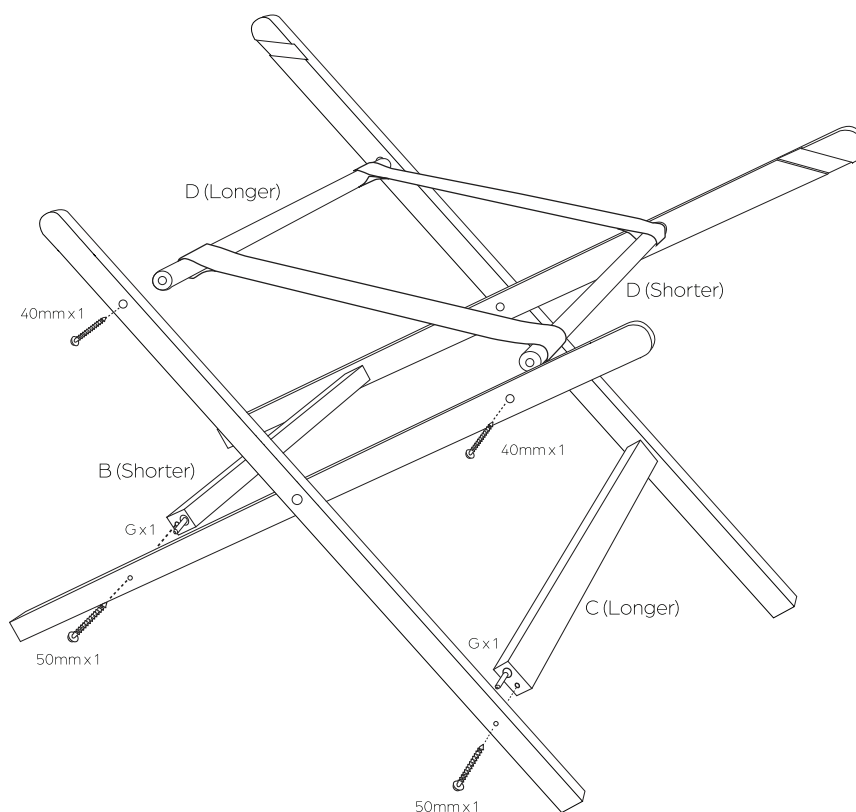

Step 2

Affix crossbar B (shorter) to the inside leg using 1 x Dowel G and 1 x 50mm screw. Affix crossbar C (longer) to the outer leg using 1 x Dowel G and 1 x 50mm screw. Affix pre-assembled D (shorter) dowel to the inside leg using 1 x 40mm screw, and the longer dowel to the outer leg using 1 x 40mm screw. Please ensure screws are not overtightened.

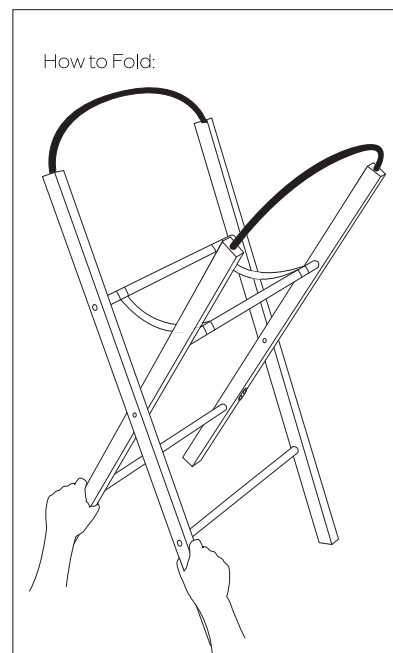

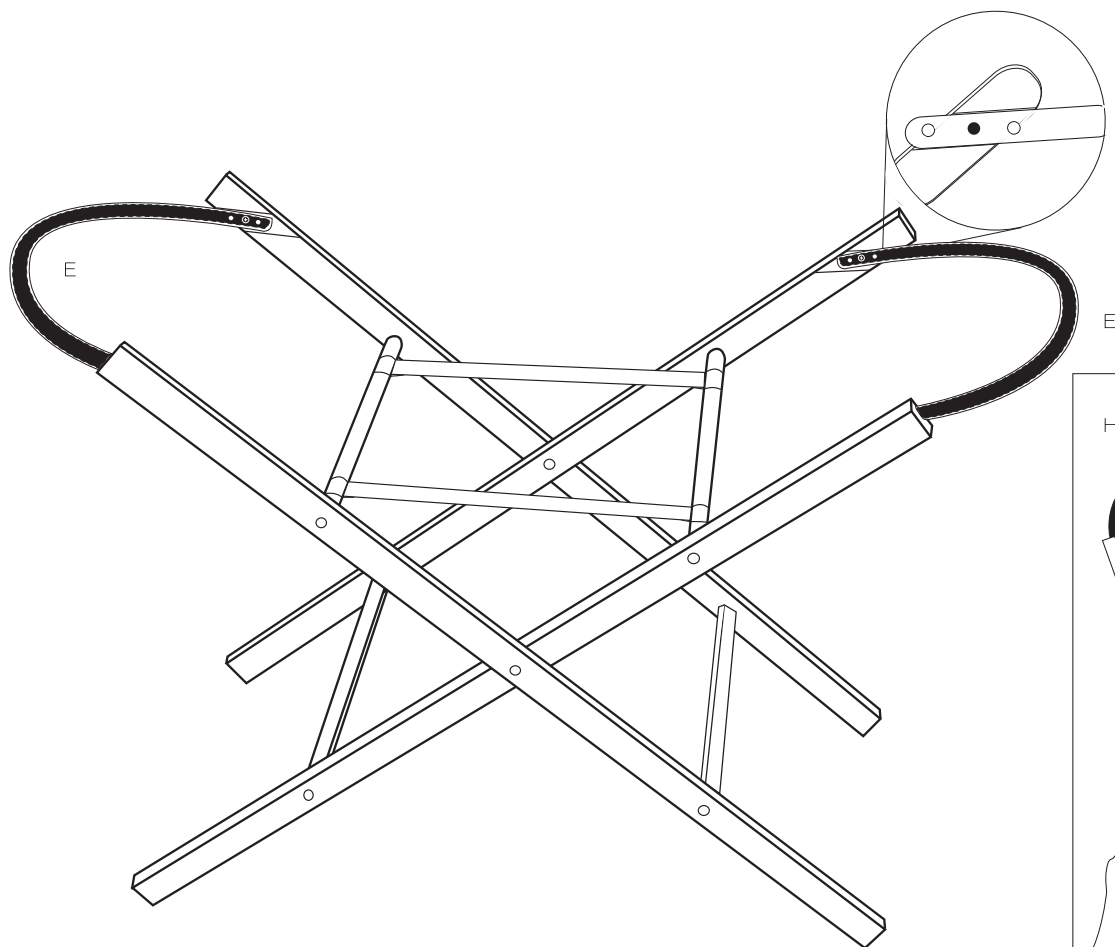

Step 3

Take the second pre-assembled leg structure (A) and open into an 'X' formation, this time making sure the horizontal slots are facing inwards towards it's counterpart. Affix crossbar B (shorter) to the inside of leg using 1 x Dowel G and 1 x 50mm screw. Affix crossbar C (longer) to the outside leg using 1 x Dowel G and 1 x 50mm screw. Affix pre-assembled D (shorter) dowel to the inside leg using 1 x 40mm screw, and the longer dowel to the outer leg using 1 x 40mm screw. Please ensure screws are not overtightened.

Step 4

Attaching the straps (E). Affix strap E into slots of outer legs using 2 x 15mm screws. Affix the second strap (E) into slots of the inside legs using 2 x 15mm screws. Place basket onto stand and adjust the straps accordingly to create a snug fit.

Maintenance & Care

All assembly fittings should be tightened taking care not to overtighten, checked regularly and re-tightened securely as necessary. Please ensure the Moses basket mattress is turned and aired regularly. We recommend the use of a waterproof, breathable mattress protector. The wooden frame can be cleaned by wiping with a damp cloth and drying with a soft clean cloth. Do not use the abrasives, bleach, alcohol or ammonia based household polishes or cleaning products. If part of the stand becomes damaged please contact us for the correct replacement part.

WARNING

POSITION ON FLAT LEVEL SURFACE. NEVER TILT THE MOSES BASKET. ENSURE YOUR CHOSEN LOCATION FOR THE MOSES BASKET AND STAND IS A REASONABLE DISTANCE FROM CURTAINS, BLINDS, HEATERS, AND POWER POINTS. ALWAYS KEEP MEDICATION, STRING, ELASTIC, SMALL TOYS OR SMALL ITEMS SUCH AS MONEY OUT OF REACH FROM ANY POSITION IN THE MOSES BASKET. STOP USING ONCE BABY CAN SIT UP OR ROLL OVER.
